Our Values

Te Kawa Mataaho Public Service Commission and Expert Advisory Panel work together to develop, monitor & evaluate NZ's OGP National Action Plans. Through ongoing kōrero our behaviour and actions are guided by:

Whakawhānaungatanga

We value knowing each other and our diverse lived experiences

We continue to strengthen and build positive relationships

Whakamanatanga

We seek to understand one another, and ensure that we protect each other's mana

We are kind and respect one another's perspective, encouraging open and robust discussion

Mahi Kotahitanga

We openly share knowledge and expertise, viewing growth as a strength

We are comfortable changing direction in response to new perspectives or insights

We foster a safe space for challenge and ambition, exploring what might be possible

Māramatanga

We navigate with our purpose as the priority

Our work is informed by understanding our context and constraints
